

## Arctic Paper Grycksbo AB

### Paper Mill Environmental Declaration

#### Product information: G-Snow

G-Snow is an ultra-white, wood-free coated paper that will help you to deliver fresh and high-quality prints. The paper's smooth surface gives it a distinct and premium feel. Its high bulk guarantees stiffness even at a lower grammage, giving you the advantage of being able to deliver first-class results for every type of job. G-Snow paper also provides continuous excellent runnability and consistent image quality – so you can work hassle-free and every print comes out just as expected.

The environmental data below reports only emissions from the paper production and not emission in the total production chain from forest to customers.
