

MUNKEN

MUNKEN HIGHWAY WHITE

Munken Highway White is an uncoated woodfree bulky fine paper - a true multifunctional product with a treated surface developed for black and white text and full colour high-speed inkjet printing, whilst not compromising the high quality printing methods of flexo, offset and dry toner. Munken Highway White, with its natural white shade, is available in bulk 1.75 and in 80 and 90 g/m² in sheets and reels. The main applications are scientific, technical, medical, academic, legal and educational publications and for novels, coffee table books, cookbooks, comics, magazines, brochures, catalogues, direct mail, inserts and coupons. Munken Highway White standard products are available as FSC® – The mark of responsible forestry. www.fsc.org. FSC-C020637 and PEFC™ PEFC/05-33-99 certified.
