

AMBER HIGHWAY SUPER

Amber Highway Super is a high white, technically advanced, uncoated woodfree paper, dedicated to 'High Speed Inkjet' technology especially for transpromo, publishing segments and direct mail. Amber Highway Super is developed for b/w text and full color illustrations with a high color density and is offered in 70, 80, 90, 100 and 120 g/m², both in sheets and reels. The paper is DIN 6723-1 and 6724-1 certified, which means is guaranteed to work on equipment with optical character recognition (OCR). It is also PN-EN ISO 9706:2001 certified which is equal the paper is aging resistance (paper for a documents). This paper is strongly recommended to be used in different applications: transpromo statements and invoices, manuals (color), books (color), mailings, loyalty programs and advertising folders.

Amber Highway Super standard products are available as FSC® – The mark of responsible forestry. www.fsc.org. FSC® C012880 and PEFC™ PEFC/01-31-126 certified.
