

AMBER

Amber Graphic (US)

AmberGraphic is a white, uncoated fine paper which is used for books, dictionaries, manuals, advertising material, brochures and catalogues, in mono and full colour. Such a broad variety of applications is possible thanks to a wide range of grammages. Amber papers are especially recognised for their good runnability and printability and are available both in sheets and reels.

Amber Graphic standard products are available as FSC® – The mark of responsible forestry. www.fsc.org. FSC® C012880 and PEFC™ PEFC/01-31-126 certified.

Technical specifications
