

AMBER

Amber Highway Regular (US)

Amber Highway Regular is a high white, technically advanced, uncoated woodfree paper, dedicated to 'High Speed Inkjet' technology especially for transactional and publishing segments. Amber Highway Regular is developed for b/w text and spot color with a medium color density and is offered in 70, 80, 90 and 100 g/m², both in sheets and reels. The paper is DIN6723-1 and 6724-1 certified, which means it is guaranteed to work on equipment with optical character recognition (OCR). It is also PN-ENISO 9706:2001 certified which is equal to the paper's aging resistance (paper for documents). This paper is strongly recommended to be used in different applications: statements, invoices, manuals and b/w books.

Amber Highway Regular standard products are available as FSC® – The mark of responsible forestry. www.fsc.org. FSC® C012880 and PEFC™ PEFC/01-31-126 certified.
