

# Munken Lynx Rough (US)

Extraordinary printing demands extraordinary design paper. The uncoated, extra tactile surface of Munken Lynx Rough and its natural white shade bring images to completion and give even more of the authentic appeal. Thanks to high bulk you can choose a lower grammage/basis weight and keep thickness/Caliper as well as paper stability for the best final result. Munken Lynx Rough is developed for offset print, but also suitable for various kinds of printing techniques; flexo, laser, xerography, digital printing, inkjet and for preprint applications. Also available is a bright white, Munken Polar Rough, a cream white shaded version, Munken Pure Rough and the high white Munken Kristall Rough.

Munken Lynx Rough standard products are available as FSC® FSC-C020637, PEFC™ PEFC/05-33-99 and EU Ecolabel certified.

The mark of  
responsible forestry

## Technical specifications

<b>Basic information:</b>	Optimized for colour printing, Available in sheets, Available in reels
<b>Surface:</b>	Uncoated, Vellum
<b>Shade:</b>	White
<b>Printing techniques:</b>	Offset, Flexo, Laser, Inkjet (black/white)
<b>Certificates/Statements:</b>	FSC_C020637, PEFC_053399, EU Ecolabel, The paper is inspected for Nordic Ecolabelled printing , ECF, ISO 14001, EMAS, Paper Profile, Safety of Toys, Food contact, Age resistant (ISO 9706), Woodfree, Cradle to Cradle Certified®
