

Munken Lynx ID

Munken Lynx ID is a specially developed version for HP Indigo presses. The surface has been adapted for best performance, toner adhesion and print quality in liquid toner for this type of press.

In all other aspects the paper retains the same characteristics as Munken Lynx – an uncoated smooth surface with its natural white shade convey distinct features to images, giving a very true natural paper feel.

Munken Lynx ID standard products are available as FSC® – The mark of responsible forestry. www.fsc.org. FSC-C020637 and PEFC™ PEFC/05-33-99 certified.
